To Our Volunteers:

It is with sincere gratitude that we take this opportunity to thank all the many wonderful volunteers who make this auction possible. It takes countless hours of work to prepare and put on the STAAR Gala auction and our Family Fun Auction. The many hours of effort which go into these events are often not recognized. It is the commitment, energy, dedication and vision of all of our faculty, staff, parents, students, parishioners, alumni, grandparents and friends that help make this event a success.

At St. Anthony School, we keep our eyes on what is truly important: the children's education. We strive to fulfill our mission of ***“educating our students to be joyous, loving, Christ-centered people, capable of serving others and bettering the world.”*** Thank you for helping us to make this mission a reality.

As you enjoy this evening, please remember our unsung heroes; the volunteers who donate their time and talents to make this evening fun and, we hope, profitable!

Auction Rules

General Rules

When you register, you will receive your bid number. Use this bid number for both the Silent and Live auctions. At the end of the evening please leave your bid number at the Accounting Section.

As you register you may request Express Checkout to simplify your checkout at the end of the evening. Your credit card will be imprinted on a blank charge slip. The slip will then be kept with the cashier's records.

Written or oral bid constitutes a legal contract to purchase. No exchanges or refunds will be made unless otherwise specified.

Please pay attention to all conditions, restrictions and expiration dates on items and services. Unless where noted by donor, services, tickets, items, etc., must be used within a year of the auction and take place at a mutually agreeable time between the donor and the purchaser.

When you are ready to leave, stop at the Accounting Section, near the check-in area, to receive your bill for all purchases made during the auction.

***Please note:** Most gift certificates and paperwork are held by the Accounting Section. If you have purchased a gift certificate, a package containing a gift certificate, or a physical item with special paperwork (i.e. piano, truck), you may pick up the certificates and paper-work at the Accounting Section when paying.*

Payment by the successful bidder may be made at the bank by cash, check, MC or VISA card. Payment in full the night of the auction is mandatory.

All auction purchases must be removed on the night of the auction. Items may be removed from the tables only by presenting a "PAID" receipt to the table captains. Delivery of large items is available for a \$20 per item fee. Please indicate to the Accounting Section that you would like delivery of your item(s) and they will include the charge on your check-out statement and ask you to complete a delivery form.

The Auction Committee reserves the right to withdraw or add, at its sole discretion, any auction item(s) prior to the call for bids. Any necessary changes in traditional auction procedures will be made based on fairness to all concerned. The deciding factor will be the best interests of the auction and its purpose of raising funds for the school.

The Auction Committee of St. Anthony School attempts to correctly describe and catalog all items, but property is sold as is. The Auction Committee and St. Anthony School neither warrants nor represents and shall in no event be responsible for the correctness of the description, authenticity, authorship, provenance or condition of the property. NO statement contained in this catalog or made orally at the sale or elsewhere shall be deemed such a warranty, representation or assumption of liability.

Silent Auction Rules:

Please write your bid number on the sheet associated with each item. If an entry is not legible, the next legible entry will be accepted.

The amount listed in the first box of each bid sheet is the minimum bid for that item.

Guaranteed purchase bids may be made prior to the time of that item's closing. A guaranteed bid will end all bidding on that item and guarantee sale to the guaranteed bidder.

When the closing time for a section is called, all bidders must step back from the tables and no further bids may be made. Bid sheets are NOT to be removed from the tables except by the table closers or captains.

In the event of a conflict over the successful bid, parties involved must notify a Section Official as soon as the section has closed.

Please note: All class projects, sports memorabilia, and other items selected by the Auction Steering Committee are not subject to the guaranteed bid.

Live Auction Rules

Your bid number will be recognized by the auctioneer. Please hold it so it can be easily seen.

Successful bidders for the Live Auction must sign a receipt. At that time, they should verify that the bid number, amount of purchase and item description are correct.

All Live Auction items may be picked up at the conclusion of the Live Auction.

Tax on Charitable Contributions

Contributions are tax deductible only to the extent they exceed the stated fair market value of goods and services provided. Keep your yellow bid sheets, they provide an item description, estimated fair market value and your purchase price (circled winning bid). Consult a tax advisor regarding tax laws for items purchased.

Matching Funds:

If your company participates in the Matching Funds Program, forms are available in the Accounting Section.

St. Anthony School Family Fun Auction 2008

Three Great Raffles
